

Does your local have teachers who need reading and/or technology CEUs to renew their professional certificates?

CEA can help.

introducing the

CEA / CEU Partner Program

you offer the workshops, CEA offers the CEUs!

What does the local association do?

- identify the local association workshop presenter or activity leader
- complete the CEU activity proposal form & get CEA approval
- handle activity publicity, registration, CEU paperwork to participants
- submit paperwork to CEA after activity is completed

What does CEA do?

- provide needed paperwork to local association
- provide guidance in completing paperwork
- awards CEUs to participants
- keeps required paperwork on file for local association

Which teachers must meet specific requirements?

- early childhood - reading
- elementary - reading, use of computers in the classroom
- middle - use of computers in the classroom
- bilingual - determined by what is taught
