

CAR CARAVAN TO THE GOVERNOR'S HOUSE TO DEMAND A PEOPLE'S BUDGET

SATURDAY,
FEBRUARY 20,
11:30AM

Meet at 61 Woodland
Street, Hartford
(Board of Regents lot at
corner of Asylum Avenue and
Woodland Street)

Join hundreds of community members impacted by this emergency and demand a budget that puts the needs of people first!

The governor's proposed budget neglects the needs of those who continue to suffer. It's time to fully fund and expand K-12 education, higher education, childcare, mental health services, healthcare, long-term care, housing, environmental protections, and workers' protections.
