

26th Annual Hands Across the Green

GOLF TOURNAMENT
TO SUPPORT THE CHILDREN'S FUND

HANDS ACROSS THE GREEN
GOLF TOURNAMENT

**Monday
July 12,
2021**

**Glastonbury Hills Country Club
239 Country Club Rd
South Glastonbury**

Dear Friend of the Children's Fund,

The Connecticut Education Foundation's Board of Directors invites you to support the Children's Fund by joining Association members and CEA staff at the 26th Annual Hands Across the Green Golf Tournament on Monday, July 12, 2021.

Last July 2019, more than 200 golfers and volunteers participated in the tournament. This year we ask you to continue or, if you've never played in our tournament before, begin your support of Connecticut's neediest schoolchildren. Once you experience this tournament, we're sure you'll want to return.

The Children's Fund was established to assist Connecticut's neediest schoolchildren. Our teacher members often find themselves spending their own money to help their students in need to buy clothing, school supplies, food, medical provisions, etc.—the basic necessities that their own families cannot afford. But The Children's Fund provides teachers with monies raised through this tournament to help these very students. Your support means so much to so many.

We hope to see you on July 12 at the Glastonbury Hills Country Club.

Sincerely,

Tom Nicholas, CEF President

The Children's Fund (CEF) assists needy students in Connecticut's public schools by providing them the basic needs they lack. These needs may include clothes, eyeglasses, and hearing aids. The absence thereof can create obstacles to learning for these children. CEF, a 501(c)(3) nonprofit, charitable organization established by the Connecticut Education Association in 1991, administers The Children's Fund. All Golf Tournament proceeds are contributed solely to The Children's Fund.

The CEF also administers the following funds.

- The Edward J. Boland Financial Assistance Fund assists teachers who are experiencing financial hardships.
- The Ethnic Minority Scholarship Fund assists minority men and women who wish to pursue a career in teaching.
- The DiGiovanni Future Teacher Scholarship assists children of CEA members or staff who intend to enter the teaching profession.
