Re:

**SB 107: AN ACT CONCERNING THE TEACHERS' RETIREMENT SYSTEM HEALTH INSURANCE
SUBSIDY.**

March 18, 2022

Good morning, Senator Osten, Representative Walker, Senator Miner, Representative France, and members of the Appropriations Committee. I testify today in support of SB 107 and the increase in the health insurance subsidy for retired teachers; however, I urge you to amend the proposal to increase the subsidy amount for all retired educators. The retired teachers' health insurance subsidy has not seen an increase since its establishment in 1996 even though insurance prices have continued to go up exponentially. As such, I encourage you to amend this proposal to raise the subsidy to \$220 per month for retired teachers under age 65 to purchase insurance coverage from their former school districts and to \$440 per month for retired teachers age 65 and over who do not qualify for Medicare.

Thank you for addressing this critical issue impacting our retired educators.
