

Testimony of

Dana Saccomano

East Hartford Educator

Before the

Education Committee

March 1, 2023

Good afternoon, Senator McCrory, Representative Currey, Senator Berthel, Representative McCarty, and members of the Education Committee.

I testify today in support of the caps on class sizes proposed in Senate Bill 1093, which would take an important step in ensuring that classrooms are places where students can learn, and educators can teach.

I teach Instrumental music and a cap on large class sizes would positively effect me by allowing my large ensembles to remain a manageable size.

Thank you for your time and consideration.
