

Testimony of

Robin Konrad

Stamford Educator

Before the

Education Committee

March 1, 2023

Good afternoon, Senator McCrory, Representative Currey, Senator Berthel, Representative McCarty, and members of the Education Committee.

I testify today in support of the caps on class sizes proposed in Senate Bill 1093, which would take an important step in ensuring that classrooms are places where students can learn, and educators can teach.

Please help lower class size so that we can spend more time individualizing instruction and helping to support our students social emotional needs.

Thank you for your time and consideration.
