

Testimony of

Suzanne Robinson

South Windsor Educator

Before the

Education Committee

March 1, 2023

Good afternoon, Senator McCrory, Representative Currey, Senator Berthel, Representative McCarty, and members of the Education Committee.

I testify today in support of the caps on class sizes proposed in Senate Bill 1093, which would take an important step in ensuring that classrooms are places where students can learn, and educators can teach.

As an elementary school teacher, I know first-hand how impactful the number of students in a class can be on their education. Please support Senate Bill 1093.

Thank you for your time and consideration.
