Dear Supporters, Golfers, Volunteers, and Friends,

On behalf of the Connecticut Education Foundation Board of Directors, the members of the Connecticut Education Association, and the CEA staff, we would like to extend a most sincere thank you for your participation and support of the 2023 Hands Across the Green Golf Tournament.

Through your continued generosity and support of The Children's Fund, the tournament has raised nearly \$750,000. One hundred percent of money raised goes to benefit disadvantaged students in Connecticut.

We are proud to celebrate the 28th anniversary of the tournament.

A heartfelt thank you is echoed by all of us to our Title, Gold, Silver, and Bronze sponsors, as well as to the Association Patrons, Local Association members, CEA staff, and friends. Please know that through your generosity and efforts over the last 28 years, you have significantly impacted the lives of many children across the state. Support of the Children's Fund also shows a support to our great educators, who work tirelessly to ensure that all students have access to learning.

With Sincere Appreciation,
