REPORTS

April 2025

In the month of April, all eight counties met with an uptick from previous attendance. We had a total membership attendance of over 220. Each county provided a full agenda which included a guest speaker and reports from the officers. On April 24, members attended the third Rapid Response meeting at CEA and others reported having participated in different CEA sponsored events.

On May 13, we will hold our annual Spring business meeting at Aqua Turf. The election of all officers will take place at this meeting and our keynote speaker will be Lisa Perrone. Lisa is on staff at Congressman John Larson's office and will speak on the topic of Social Security. In addition, representatives from UnitedHealthcare, Cigna and the Teachers' Retirement Board will be available to answer questions.
